## Harbert Management Corporation included on the Pensions & Investments List of Best Places to Work in Money Management for 2022

Birmingham, AL, December 12, 2022 – Harbert Management Corporation (“HMC”) has been voted one of the Best Places to Work in Money Management as announced by *Pensions & Investments*. The 11<sup>th</sup> annual survey and recognition program is dedicated to identifying and recognizing the best employers in the money management industry.

HMC aspires to be a trusted, integrated alternative asset manager that consistently delivers exceptional results for its clients and partners. Investment excellence, transparency with our clients, and world-class Fund Administration are the hallmarks of HMC’s commitment to investors. HMC’s corporate culture is built around fostering the entrepreneurial spirit of employees and providing high levels of resources and benefits.

“*Pensions & Investments* is proud to honor the Best Places to Work in Money Management for the 11th year. A strong workplace culture that supports talent, advocates progress and drives innovation is paramount to driving the best outcomes and these asset managers demonstrate that. Congratulations to the 2022 honorees for fostering healthy and inclusive workplaces in the face of a rapidly evolving and challenging market,” said Chief Operating Officer, Nikki Pirrello.

HMC President and COO, Travis Pritchett noted, “In our 29th year as an investment manager, we are immensely proud of HMC’s people and their accomplishments in 2022. In an increasingly competitive market, our culture has enabled us to attract and retain high quality talent. The culture of commitment and resiliency has led us to consistently deliver great results for clients. Our people are the foundation of our business, and we will continue to invest in their development.”

*Pensions & Investments* partnered with Best Companies Group, a research firm specializing in identifying great places to work, to conduct a two-part survey process of employers and their employees. The first part consisted of evaluating each nominated company’s workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience.
